

NOUS GROUP SHAPING AUSTRALIA

The future of Australia depends on effective government, world-class businesses and empowered communities. For 17 years Nous Group has partnered with public, private and member-based clients to address grand challenges and help them shape a prosperous, bold and cohesive Australia. Australia Day is a time when we reflect on our contribution. Here are a few of the agendas we're proud to have influenced recently, in partnership with our valued clients.

NORTHERN TERRITORY

A university strategy to improve efficiency and **boost the quality of research and experience of students** for the long term

WESTERN AUSTRALIA

Improved implementation of Native Title Agreements to **enhance the wellbeing of indigenous communities**

Incident review to help emergency services **respond to major fires and save lives**

VICTORIA

Greater transport safety through new models of regulation

Leadership development and collaborative learning to **lift school education outcomes**

Digital product innovation that **improves the lifestyle of over 2.1 million insurance members**

Increased university capacity so more Australian students can receive a **world-class education**

A 'consumer' **learning experience** for 50,000 bank employees
